Dear Thelma Oakes,  
Thank you for calling me and also contacting me via email.  
An interview sounds wonderful.

Please let me know what works best for you...  
Monday, Tuesday, and Friday morning or early afternoon are best for me next week.

Can you also give me an idea of the format (panel, camera, or one on one), approx length, purpose (informative or possible endorsement), where and what format the results will be seen, and the focus of your questions (what your readers want to know more about)? Thank you and talk to you soon.

Kind regards,

**Ms. Erin A. Stahl, BS, MSF**
