Erin,

Thanks for the email. I'm trying to find out myself what the top brass want to do about this. Thanks

Hi John,  
I have been receiving questionnaires from many media outlets and was just wondering if the SCS Connection will be covering the candidates?

As you may already know, the absentee voters will be receiving their ballots this week. Traditionally 70%+ turn in their ballots within a few days of receiving them.

Plus they all are usually scrambling to find information about the candidates & ballot issues.

Kind regards,
