\*\*\*Important notes about candidate profiles\*\*\* Dear candidate, Please consider the following points when putting together your candidate profile form. These are offered as a courtesy to eliminate any confusion about our editorial process for handling the profiles, and in order to ensure fairness in our elections coverage.

- Please remember to proofread your response. We will not be making any changes to the profiles, and they will appear in the paper as submitted.
- Please remember to limit your "Top Three Things" responses to 150 words TOTAL for all three things. Due to space restrictions, all responses will be cut at 150 words, regardless of additional length.
- Please have your completed profiles and photos to me no later than 5 p.m., July 16. That is the deadline necessary to prepare the profiles to run in the paper. You may send the completed profile form with your 150-word response to me at [jsnyder@candgnews.com](mailto:jsnyder@candgnews.com).
- We encourage you to email your response.
- You may want to use part of your 150-word response to direct readers to your Facebook page or website for more information on your campaign.
- Please contact me ahead of the deadline if you have any questions.

(I was informed that Julie is doing this for all C&G News because I want to make sure profiles get in all C&G News...not left out of SCS Sentinel like 2010 County Executive election---they will check)

#### TOP THREE THINGS YOU WISH TO ACCOMPLISH AND HOW YOU WILL ACCOMPLISH THEM IF ELECTED (LIMIT 150 WORDS TOTAL — PLEASE EMAIL OR TYPE ONTO A SEPARATE SHEET. HAND-WRITTEN RESPONSES WILL NOT BE ACCEPTED):

- 1) Creating an atmosphere and policies that RESPECT the rights, dignity, and worth of all people
- 2) Design Macomb County government into the example for other communities, of how to LIVE WITHIN OUR MEANS while strategically dumping our debt
- 3) DEFEND ourselves FROM ASSAULTS by contractors and special interests trying to make a quick buck.

I'll accomplish this by:

- 1) Continue standing up for SCS residents and broaden my efforts to all Macomb County communities
- 2) Use my unique way of analyzing government budgets; getting to the problem's root cause, rather than haphazardly throwing more money at the problems
- 3) Provide free FOIA information to citizens to hold elected officials and employees accountable. Then use the inquiries to develop statistical reporting systems
- 4) Give citizens the truth so we can fix problems and have a higher quality of life for Macomb County families.

OUR FAMILIES ARE WORTH IT!
